

# CANZAC® FLEXI-FILLET

- Cost effective
- Accurate clean corners
- Perfectly formed corners
- Easy to use
- Big labour saver
- Re-usable

## **MULTI-USE**

Because of its unique design Canzac Flexi-Fillet provides a range of uses. The high quality PVC may be curved, bent etc, for use in a variety of form applications providing an accurate profile.

## **EXTREMELY DURABLE**

Canzac Flexi-Fillet is hard wearing and long lasting and with normal care can be reused.

## **VARIOUS MEANS OF FIXING**

Canzac Flexi-Fillet may be glued when nails cannot be used and when stripped will not break with normal care.

## **SIZES**

Both 23mm & 16mm available in convenient 3 metre lengths.
